

# DELHI PUBLIC SENIOR SECONDARY SCHOOL, BARMER (Raj.)

## Summer camp 2023 "Fun in the Sun" was

started in DPS, Barmer on 15<sup>th</sup> May, 2023 for children to learn new skills in a safe nurturing environment and to explore the hidden talent of the student. The aim of the camp was to develop creativity, enhance knowledge, facilitate language learning and improve expression besides boosting confidence and to provide the children an opportunity to inculcate healthy habits and to encourage them to pursue various activities of their choice. During the camp, various activities like Art and Craft, Dance (both classical and western), Cricket, Swimming, Badminton, Archery, Skating and Music (vocal and instrumental) were conducted under the guidance of the experts in their respective fields.

**"School's out, Summers in, let the drama stop and the fun begin."**

Delhi Public Sr. Sec. School, Barmer organised a plethora of summer camp activities for Grades II- IX which provided the students with an opportunity to engage well with the activities of their choice. These activities carried an element of fun and aided a platform for experimentation and creative expression. Discipline was well maintained. All their queries were addressed.

### Swimming-

*"The water is your friend...you don't have to fight with water, just share the same spirit as the water, and it will help you move."* **Alexandr Popov**

Swimming is one of the most eagerly awaited activity for every student at DPS, Barmer. Knowledge of Swimming is necessary for everybody as it includes life saving, life guarding and aquatic sports. It is also very good for maintaining physical fitness. Swimming is a wholesome

exercise that helps cultivate the right stamina for a healthy person. Swimming, at DPS, Barmer, during the summer camp are guided and supervised by the swimming coaches. Excellent and hygienic water standards at the pool are maintained by the school. There were the separate timings for boys and girls to use the pool. The coaches are well-trained to tackle emergencies as well as there are other lifeguards as the assistant coaches.

### Skating-

**"Skating can make you feel athletic, graceful, beautiful."** Gracie Gold

All study and no play does not cater to the needs of today's child. Sports are an important aspect of a growing child. The sports curriculum of DPS, Barmer Summer camp-2023 is designed to ensure student's progressive growth, safety and make the learning process more enjoyable. As DPS, Barmer is known for its infrastructure and sports facilities, the skating rink at the school is among the major attractions for sports-

loving students. Skating helps in improving balance and motor coordination skills and is therefore an important skill to learn. All these benefits were enjoyed by the kids in the skating classes being conducted in the DPS Summer Camp. For adolescents in particular, it helps them with speed, balance, and strengthening their growing musculoskeletal structures. Proper safety measures were ensured by the coaches to ensure safe play.

### Badminton –

**“Badminton is like ballet dancing, it requires a lot of control, strength, and mind-play and measured movement.”**

Encouraging our children to participate in the game of badminton helps them in exploring and developing skills that are considered beneficial throughout their lives. Badminton is a technical sport that requires a great amount of flexibility, agility, and responsiveness. Badminton promotes confidence. It's physical. It can burn calories while having fun. All these benefits were enjoyed by the kids in the badminton classes being conducted in the summer camp.

along with the ability to focus in class room environment. The children were very enthusiastic while learning the dance form and showed a lot of eagerness to learn.

Students of DPS, Barmer from classes II to IX enthusiastically participated and showcased their hidden talents in the vibrant dance sessions. The little ones tapped their feet on various songs.

### Music-

**“Words make you think. Music makes you feel.”**

At DPS, Barmer Summer Camp, children got the opportunity to explore different styles of music. To bring back the beauty of feeling and expressing, a vocal and instrumental music camp

activity was organised for the students of Classes III to XII In the music class, students were taught to identify their passion, and skill and teach them ways to enhance it. It was evident from their singing that everyone was having a great time. The session was also a platform for enhancing the art and skills of a

performer. As excited as they were, we could learn one complete song to play their respective instruments as well as to sing and perform as an artist. It was a meaningful and productive session. A heartening number of students participated and their creative side was explored.

**Art and Craft – “Art is the best way for children to learn.”**

In keeping with the theme of Creativity, Painting, Sketching, Best out of Waste. The activity classes for Art and Craft were much appreciated by the students who were taught a variety of art and craft techniques that helped to enhance their skills. The students learnt to make Mandala painting, sketching, cotton craft, origami, earbuds wall hanging etc . Object study in pencil shading was also taught along with techniques of drawing and shading of basic forms. Using different media of colours was demonstrated through flower painting in water colors that helped the students understand the process of colour mixing and application. The students were also introduced to the history of Indian folk art, Madhubani Painting after which they showcased their skills through their own spectacular paintings. Students find ideas, activities, and crafts have a great artistic fun at summer camp in DPS, Barmer.

### Dance-“Dance is the joy of movement and the heart of life”

DPS has highly trained and experienced professional who have joined together to impact high quality training in the field of Dance. During the summer camp we had provide training in the field of Indian Classical and Western styles of dance.

Students learn basic skills as they learn new dance movements, gaining improved balance, coordination, confidence, personal skill development and stage fearness in the process. Through discipline and instructors help the students learn socialization skills

### Archery –

**“A good archer is known not by his arrows but by his aim”**

Archery is a fun sport for people of all ages and abilities. It helps to improve student motivation, behavior, and focus. Archery also helps to improve self-confidence and can introduce students to the natural world. Archery teaches discipline, respect and self-control, something that carries over into pupils' attitude, work habits and other school activities. With the objective of providing specialized training in a variety of sports and games in a motivating and enriching environment, DPS Barmer

organized Archery as an activity in summer camp 2023 for the children of classes II to IX in the school premises. In Archery 81 student had shown their enthusiastic participation and were eager to avail the rich experience the camp offered.

### Arts & Carft Exhibition

On the final day, an exhibition was also organised where craft items such as paper pottery from newspapers, photo frame, marble painting and glass painting prepared by the students were displayed. On the occasion, competitions in the discipline of swimming, skating, cricket and yoga were also held.

Principal of the school, Mrs Sonal Deora interacted with the students, who explained their experience of the summer camp. While speaking, Principal highlighted the importance of such camps as these help in grooming the hidden talent of the students. She also assured the students that such activities which help them in developing the overall personality of an individual will be organised in the future also. Later, There was a distribution of the certificate to the students.

### Closing Ceremony of the Summer Camp 2023

# Testimonial

Dear Teachers,

"It was immense pleasure to see my daughters participating in various activities organised by school. The arrangements were really good and atmosphere for kids was highly motivated. Thank you for taking such a great care of our kids, in this summer camp. Pictures posted by the school, during this event was awesome. It was nice treat for us to look back at the photos and see all the adventures our kids shared with you. I am satisfied by seeing improvement and remarkable confidence level in my daughter's overall personality development and physical activities. I would like to extend my gratitude towards management and teachers and also hope that extended efforts would continue."

**Mr Darshan Singh Brar**

"We are so grateful that our daughter was able to take part in such an empowering, self affirming programme as Summer Camp at DPS, Barmer.

Studying in DPS has always been a great experience for Samrah. She used to enjoy a lot in DPS. She was equally excited to join this summer camp. Teachers are helpful, cooperative and motivate children to take the best out of them. The teaching pattern is good. Activities are another attraction for her, especially swimming. The balance between studies and extra curriculum make DPS, Barmer a best choice."
