'Not just India, world waiting for Chandrayaan-3 success'

The success of India's Chandrayaan-3 lunar mission is important not just to India but also the entire world, as crucial information from the mission will help future space missions globally, science minister Jitendra Singh said. Chandrayaan-3, India's third lunar mission, will be launched by the Indian Space Research Organisation (Isro) from the Sriharikota Space Centre, Sriharikota, on July 14. Ahead of the launch, Singh spoke in an interview to **Soumya Pillai** on the significance of Chandrayaan-3 for space programmes globally, future space missions and the government's focus on space programmes in the future. Edited excerpts:

human on the surface of the moon, it was our Chandrayaan-1 mission that first picked up images of water on the surface of the moon. These pictures were also provided to NASA for their future explorations. This mission series placed us at par with global leaders when it comes to our R&D capabilities. We will be the fourth country to land on surface of moon. So, the world will be closely watching our success in this mission. If everything goes well, which we are confident it will, other countries will also be looking forward to the findings of this mission for their own benefit.

Chandrayaan-2 mission did not go as planned. How far has our preparations come since then?

For a patriotic Indian, Chandrayaan-2 might come across as a disappointment, but if you look at it scientifically and objectively, it would be unfair to call this mission a failure. If the mission had gone as we had envisaged, it would have immediately placed us in front of all other countries. We are hoping that this will happen now with Chandrayaan-3.

The Chandrayaan-2 mission fell slightly short of the outcome that we were expecting because the descent happened about 12 km away from the desired spot. There were some miscalculation that did not give us the results

we wanted. We live and learn, and the faults have been rectified in Chandrayaan-3.

There are some big-ticket missions lined up in the coming months, including Aditya-1 (the solar mission) and Gaganyaan (India's human space flight). What is the update on these missions?

Gaganyaan was delayed because of Covid-19. Our astronauts were undergoing training in Russia, but they had to be called back because of the pandemic. We have three missions under Gaganyaan before the manned mission happens. The first mission will be unmanned, the second one would carry a robot on-board and, finally, we will have the manned mission. The most important aspect of the mission is to ensure the safety of our astronauts.

How far has India reached in its space journey and what are the government's plans for the space sector in the coming years?

When we started our space journey in the early 1960s, the US and the then USSR were way ahead of us. We were just struggling with limited resources. The political leadership at the time also did not give much attention to the space sector. The kind of quantum jump that the space sector has seen over the last few years would not have been possible without the personal involvement of PM Modi.

We were always equal to them, even superior to them when it came to human resources. Even today, in NASA, most of the expert hands hail from India. Now India is being recognised as an equal partner.

बाड़मेर। जौव जगत को जीवित रखने के लिए पौधारोपण बेहद जरूरी है। आज की हालत को देखते हुए पौधा रोपण जैसे कार्यक्रम होना अति आवश्यक है। वृक्ष के बगैर जौव जगतों की कल्पना नहीं की जा सकती। हर एक व्यक्ति को एक पौधा लगाकर उसकी सा संधाल अपने बच्चों की तरह करनी चाहिए। यदि इस तरह पौधों का पालन पोषण करें तो इसका अंदाजा लगाया जा सकता है कि भारत देश में कितने पौधे लगाए सकते हैं। यह बात जिला कलक्टर अरुण पुरोहित ने टीम बाड़मेर व महेश शिखण संस्थान लंगरे के संयुक्त तत्वावधान में आयोजित एक पेड़ देश के नाम अभियान कार्यक्रम के तहत बतौर मुख्य अतिथि जिला कलक्टर अरुण कुमार पुरोहित ने डीपीएस स्कूल के परिसर में पौधरोपण करते हुए कहा। इस दौरान जिला कलक्टर द्वारा प्रत्येक बच्चे को पौधा वितरित कर हर घर पौधा कार्यक्रम का शुभारंभ किया गया। इस अवसर पर जिला कलक्टर अरुण कुमार पुरोहित ने कहा कि एक पेड़ देश के नाम अभियान की विचारधारा को हरियाली की विचारधारा लेते हुए अपने मन में एक संकल्प लेना होगा। भारत देश के पर्यावरण को बचाने के लिए हमें ढाणी ढाणी पौधारोपण करना होगा। पुरोहित ने कहा कि स्कूल के कार्यक्रम के अंतर्गत यह समझा जा सकता है कि बालक के मन में अगर प्रकृति के प्रति भाव उत्पन्न हो तो वह भी एक पौधा लगाकर उसका पालन कर सकते हैं।

डीपीएस के निदेशक डॉ. प्रदीप राठी ने कहा कि संपूर्ण विश्व रोजगार वार्मिंग के कारण पर्यावरण प्रदूषित हो रहा है। यह स्थिति भयंकर बनती जा रही। जिसके निवारण मानव स्वयं है। डॉ. राठी ने कहा कि एक पेड़ देश के नाम अभियान को सर्वप्रथम बाड़मेर शहर में डीपीएस स्कूल में प्रारंभ किया गया। इस अभियान को बाड़मेर जिले के घर-घर तक पहुंचाना है और हर घर में पेड़ लगाना है। अभियान को सफल बनाने के लिए आत्मिक मन में संकल्प लेते हुए अभियान के बीजारोपण करना है। यही विचार वृक्षारोपण का रूप लेगा। टीम बाड़मेर की संरक्षक राजयोगीनी बोकिया ने कहा कि एक पेड़ देश नाम अभियान को सफल बनाने के लिए दृढ़ संकल्प होना चाहिए। प्राण जाए पर बचन ना जाए। इसी भाव के साथ हमें प्रकृति को ओर लौटना होगा। आज का यही नारा है कि प्रकृति की ओर लौट चलें। जितनी सुंदर प्रकृति होगी उतनी ही सुंदर मनुष्य का जीवन होगा। इसलिए

हम सब मिलकर इस प्रकृति को बचाएं और आने वाली पीढ़ी को ऐसा उपहार दें जो स्वस्थ पर्यावरण में स्वस्थ संसाधन के साथ अपना जीवन व्यतीत कर सके। अगर हम प्रकृति को नहीं बचा पाए तो आने वाली पीढ़ी के लिए सांस लेना भी दुर्भर होगा। दिल्ली पब्लिक सोनियर सेकेंडरी स्कूल के प्राचार्या सोनल देवड़ा ने सभी अतिथियों का आभार व्यक्त किया। रेगार महासभा के जिला अध्यक्ष भंवरलाल खोखावाल व टीम बाड़मेर के अध्यक्ष सुरेश जाजल ने हर घर पौधा अभियान में सभी को सहयोग करने की अपील की। समाजसेवी हारून भाई कोठवाल ने हम को परिभाषित कर आपसी भाईचारा व गंगा जमुनी तहजीब को बढ़ावा दिया। कार्यक्रम के प्रारंभ में जिला कलक्टर अरुण पुरोहित का साफा पहनाकर, साल ओझाकर, गुलदस्ता भेंट कर स्मृति सम्मान से नवाजा गया। कार्यक्रम का संचालन टीम बाड़मेर के महामंत्री अवरार मोहम्मद ने किया। 1100 पौधे लगाए जायेंगे- डीपीएस के निदेशक डॉ. प्रदीप राठी ने बताया कि इस अभियान के तहत शहर भर में 1100 पौधे लगाकर पर्यावरण संरक्षण का आमजन को संदेश दिया जायगा। ये रहे नौदृढ़- इस दौरान टीम बाड़मेर के सलाहकार गोपी किशान शर्मा, अश्वयुधान बारहट, डॉ. गोवर्धन सिंह जहरीला, महामंत्री अवरार मोहम्मद, हारून भाई कोठवाल, मांगीलाल खोखावाल, पवन दुधिया, रमेश चौधरी, गणपत मेघवाल और डीपीएस के सभी गुरुजन उपस्थित रहे।

On flight path

ISRO has planned 25 missions for the year 2020. Ground work for Gaganyaan and Chandrayaan-3 progressed smoothly in 2019. A status check:

- 1. Gaganyaan, the country's maiden manned space mission, is progressing well. Four Indian Air Force personnel have been identified for the mission and their astronaut training will start from the third week of this month in Russia.
2. Chandrayaan-3, the country's third lunar mission, has been approved. The mission, which will cost around ₹600 crore, will also try to land in the lunar south pole like Chandrayaan-2. The take-off may get postponed to next year.
3. Communication Satellite GSAT-30 is 2020's first scheduled launch.
4. In the first half of 2020, SSLV or small satellite launcher will make its debut.
5. ISRO has sought ₹14,000 crore as budget for 2020-21.

SPORTS ACTIVITY

Sound mind in a sound body- so goes the proverb. DPS, Barmer not only provides quality education, but also aims to provide excellent coaching in various sports. DPS is now a renowned name in the field of sports. It has produced District as well as State & National level players in various fields such as, basketball, cricket, swimming, skating and many other disciplines. The credit for the same is proudly shared by a team of teachers of Physical Education Department, who encourages, coaches and fine-tunes them in various fields.

SWIMMING

“The body achieves what the mind believes”

Swimming, which perhaps originated in pre-historic times as a survival skill, has now gained prominence all over the world as a useful and recreational activity. Swimming regularly can lower stress levels, reduce anxiety and depression, and improve your sleep patterns.

The swimming classes at DPS Barmer cater to the needs, comfort and safety of students by making swimming a pleasant, relaxing, and enjoyable experience. Our students become brilliant swimmers by learning all swimming strokes with proper techniques from certified instructors. The school has well-maintained pool. The students at the school also learn about water safety measures and life-saving skills.

ARCHERY

DPS, Barmer have a strong focus in Archery apart from a rigorous Academic program. We have competent Coach, who train and inspire our students for Archery. The benefits from archery include improving mental capacity, physical health and general fitness. Archery can also improve patience and focus and can give the student a strong sense of personal achievement.

SKATING

This active sport is enjoyed by many students. Our coaches' work on team building and specialized coaching is also given to the students before and during school hours. With an objective to develop motor coordination, better reflexes, and focus. Various inter and intra house/class matches are organized during the sports period.

BADMINTON

This active sport is enjoyed by many students. Our coaches' work on team building and specialized coaching is also given to the students before and during school hours. With an objective to develop motor coordination, better reflexes, and focus.

BASKETBALL

Basketball teaches you about being a good team player and is a great social sport. It helps in improving all five motor abilities of an individual like endurance, balance and coordination, concentration, self-discipline and muscle building. Basketball also helps in developing teamwork.

Basketball teams of all categories compete and participate in inter-school competitions at various levels.

CHESS

This mind game improves memory, attention span and reasoning ability in students. It fosters logic, develops critical thinking and creativity. At Delhi Public School Barmer, we teach students chess from class II onwards and chess is also a part of sports activity period. Our students have been selected at state and national level.

TABLE TENNIS

Table tennis is fun and easy to play. It is taught during regular PE classes. Our students have made us proud at various inter -school events.

It is taught with an objective to develop social bonding, improve brain health, enhance hand and eye coordination, strengthen muscles and bones and promote flexibility and agility.

MUSIC

Music is the resonance of life. Music heals the ill and provides vigour to those who are suffering and in stress. DPS Barmer, provides guidance and training to those interested in music, dance and the arts. It has well-equipped instrumental and vocal music rooms. Many students interested in instruments such as guitar, keyboard and drums are trained by the teachers and with the combined efforts of all.
